

# Ecopath

t w e n t y - f i v e   y e a r s

## Become an EwE Beta tester

The Ecopath development team are looking for beta testers to help refine EwE6. Some of the benefits are:

- finding the latest features and functionality in EwE6;
- ensuring features continue to work throughout your development;
- work closely with the development team to incorporate features you may require.

If interested please fill in the following information and hand this to a volunteer:

**Name:** \_\_\_\_\_

**Email:** \_\_\_\_\_

**Years Experience:** \_\_\_\_\_

**Frequency of software usage:** \_\_\_\_\_

**Major features used (Ecopath, Ecosim, Ecospace, Fit to timeseries, Mediation etc.):** \_\_\_\_\_
